^ Takes in-office referally only.

Can I see a DENCAP Dental Specialist without a referral?

No. Seeing a Dental Specialist is a covered benefit (some DENCAP plans have a short waiting period, please see your Schedule of Benefits for details) but one way that we keep costs contained for everyone is to ensure your Primary Care Dentist refers you. DENCAP cannot provide specialty care without a referral.

Do DENCAP Dental Specialists adhere to co-payments on my Schedule of Benefits?

No The Schedule of Benefits applies to the Primary Care Dental Office only.. More complex dental care is provided by our highly trained DENCAP Dental Specialists .

How do I receive a referral to see a DENCAP Specialist?

To receive a referral to see a Dental Specialist you must first see your Primary Care Dentist who will then contact DENCAP on your behalf. Your eligibility, review of benefits, and determination for care will be completed within two business days after DENCAP has received your information from your Primary Care Dentist.
