Unlocking Your Perfect Smile: How Our Orthodontic Benefit Works

We've created this document to illustrate in detail how our ortho benefit can ensure you receive a fantastic deal on your orthodontic treatment. We value our members and are committed to supporting you every step of the way!

Discover below how DENCAP's ortho benefit is calculated for both an adult and child case.

Children (up to age 19) Orthodontic Comprehensive Cases:

Provider's UCR: \$6200*

This is the UCR (Usual, customary, and reasonable) fee that your dental office follows.

DENCAP Plan Stated Benefit: -\$1800

The benefit your employer has secured for

your group.

Member Pays: \$4400

Most dental offices offer financing options for your copay. If you need help finding one, please contact our customer service department

*For illustration purposes only; UCR's vary by practice and patient treatment plan

Adult (over age 19) Orthodontic Comprehensive Cases:

This is the UCR (Usual, customary, and reasonable) fee that your dental office follows.

Provider's UCR: \$6620*

The benefit your employer has secured for your group.

DENCAP Plan Stated Benefit: -\$1200

Member Pays: \$5420

Most dental offices offer financing options for your copay. If you need help finding one, please contact our customer service department

*For illustration purposes only; UCR's vary by practice and patient treatment plan
