What if I have a dental emergency?

Dental emergencies can be handled by your DENCAP Primary Care Dentist. Often times, there are after hour emergency numbers given on a dentist's answering service. If you are unable to get a hold of your DENCAP Dentist after hours, please call DENCAP at 313-972-1400.

What if I have an emergency out of town?

If you are out of the DENCAP service area (50 or more miles away from your Primary Care Dentist), DENCAP will reimburse you or your covered dependent for 50% of the amount up to \$100.00 for those emergency services which relieve severe pain or discomfort and are covered benefits.

How do I receive a referral to see a Specialist?

To receive a referral to see a Dental Specialist you must first see your Primary Care Dentist who will then contact DENCAP on your behalf.
